GLOBAL UNIVERSITY SPONSORSHIP PROGRAM

FLUOR®

Supporting higher education and investing in programs that develop a skilled workforce are key priorities for Fluor. Through our Global University Scholarship Program (GUSP), Fluor sponsors annual grants for member colleges and universities focusing on engineering, construction, and business programs. The GUSP fosters strong relationships between Fluor's executives and university faculty, staff, and students, leading to a more robust talent development pipeline, internship opportunities, and future job prospects for qualified students.

To learn more about the GUSP, visit Fluor's website at **www.fluor.com** or contact **Lynn.Mann@fluor.com.**
